

## neMac

You will need:

- a computer with access to high speed internet
- speakers/earphones to be able to hear the instructor
- microphone and/or webcam to be able to participate with audio and/or video if required - text chat MAY be used if the instructor has enabled this function

For a list of computer requirements including operating systems, devices, browsers, etc., see here:

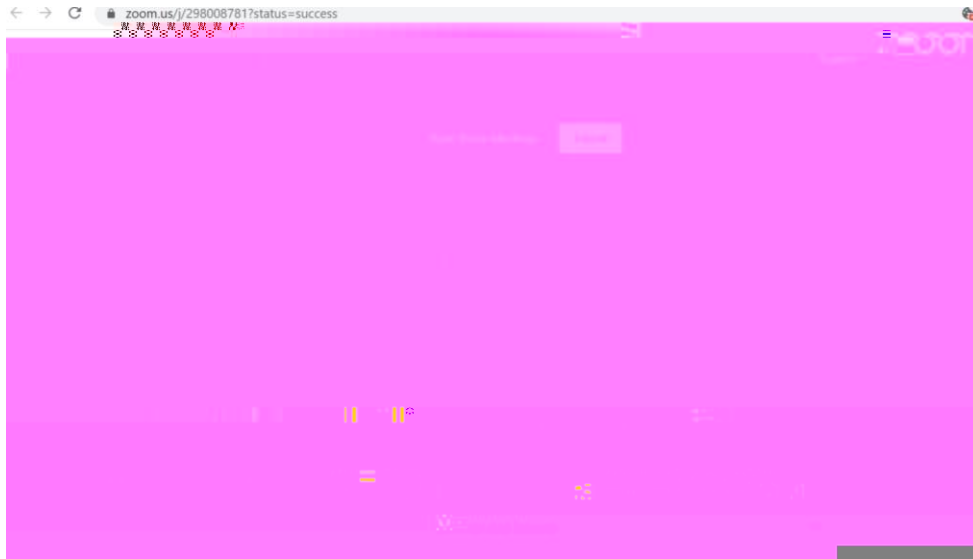

<https://support.zoom.us/hc/en-us/articles/201362023-System-Requirements-for-PC-Mac-and-Linux>

Your Instructor will send you a \_\_\_\_\_ to access the scheduled Zoom lecture session. This may be done by:

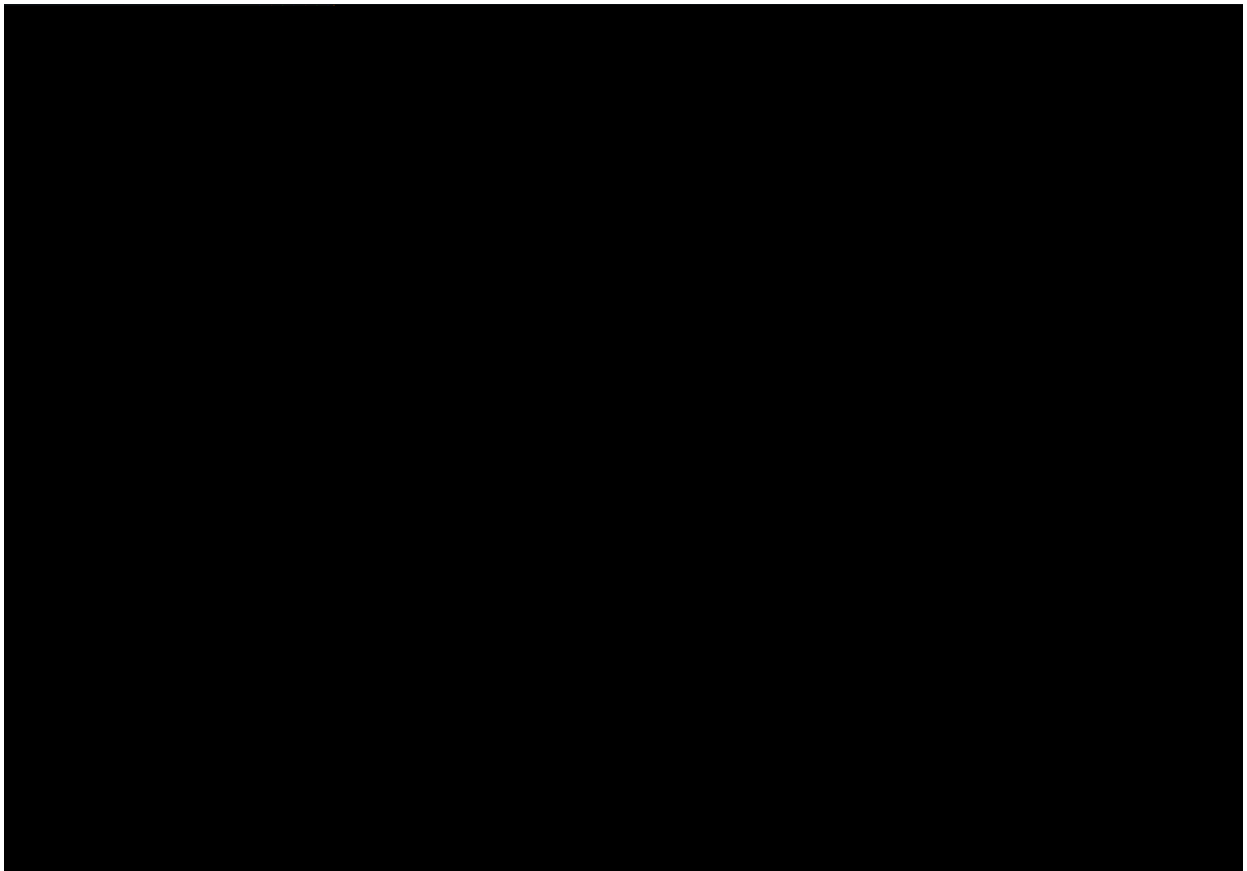

- An email from your Instructor containing the necessary information including the \_\_\_\_\_
- An announcement with the \_\_\_\_\_ in your Nexus course site ( \_\_\_\_\_ your instructor is using Nexus)
- Or alternate communication method as determined by your Instructor

The Zoom desktop app will download automatically to your computer when you start or join your very first Zoom lecture. You may need to install it \_\_\_\_\_ follow the prompts. Then click to Join Meeting.

NOTE: You

Once the Zoom app has launched, you can choose to test speaker & microphone and/or join with computer audio:

Yes. Prior to accessing the [redacted] from a mobile device, download the appropriate mobile app:

iOS Zoom mobile app download from the App store:

<https://apps.apple.com/us/app/id546505307>

Android Zoom mobile app download from the Google Play store:

<https://play.google.com/store/apps/details?id=us.zoom.videomeetings>

Please ensure your mobile device is supported, including WIFI/network and browser requirements.

Check the requirements here:
